

## Dr Shuchin Bajaj

Founder Director  
Ujala Cygnus Healthcare

Dr. Shuchin Bajaj is the Founder Director of Ujala Cygnus Healthcare, a network of 26 hospitals in small towns across six states of North India. Inspired by his roots as a child of refugees, he is committed to providing affordable super-speciality care to underserved communities. A doctor and social entrepreneur, he was named the Schwab Foundation Global Social Entrepreneur of the Year 2024. He also serves on the board of NABH, contributing to advancing healthcare quality across India. He is a Senior Aspen New Voices Fellow and a Chevening, Acumen, Unreasonable and Aspire Fellow. He was also an SL25 winner last year."
